

Southeast Z Shootout V

March 20, 2005, 10am...until

Silver Dollar Raceway, Reynolds, GA

This is a fun, easy-going event that brings together owners and admirers of all generations of the venerable Z car, 240Z to 350Z, to showcase some of the finest, most unique and fastest street-driven Z cars on the planet. Any Datsun/Nissan is welcomed and so are other "interesting" performance sports cars.

Contemplating a hybrid Z or just curious about them? This is the place to scrutinize them, see them perform and maybe even get lucky and have a test drive.

Wanna see what she'll do? This event is an exclusive track rental and you can run your wheels off, perform test and tune or claim bragging rights on your buddies.

Spectators: \$10 at the gate

To Race: Additional \$5 for Zs or \$10 for non-Zs

Giveaways: Cash and prizes for racers

Vending and parts swapping encouraged, but this is a performance-oriented event so leave the stock Z parts at home.
